

Sprinter Coverage Version '7'

Features :

PREMIUM- & ULTIMATE features

- **Module / ECU Info**
- **Read Stored Fault Codes**
- **Read Actual Fault Codes**
- **Erase Fault Codes**
- **Service Interval History**
- **Service Interval Reset**
- **Service Interval Programming**
- **Real Time Reading of Dynamic Data (live Data)**
- **System Function Test**
- **Smooth Running Test**
- **Component Activation**
- **Clear and Re-set Adaptation values**
- **Calibration-, Alignment-, Synchronization- and other ECU adjustment Features**

ULTIMATE (additional features)

- **Coding of Control Units**
- **Conversion of Control Units**
- **Individualization of Control Units**
- **Retrofitting- , Programming- & Activating New Components**
- **Fault Code Explanations**
- **Step by Step Repair Instructions**
- **Component Information and Locations**
- **Complete Wiring Diagrams with Active Legends**

Modules covered :

Drive Line

DFI	- Diesel Engine Management
CDI	- Diesel Engine Management
HFM	- Petrol Engine Management
ME	- Petrol Engine Management
EGS	- Electronic Gear System
ESM	- Electronic Selector Module

SSG	- Sprintshift Module
------------	-----------------------------

Chassis

ABS	- ABS Control Unit
------------	---------------------------

ESP	- Traction Control
------------	---------------------------

Body

AB	- Airbag
-----------	-----------------

DCM	- Door Control Module
------------	------------------------------

EIS	- Electronic Ignition System
------------	-------------------------------------

OCP	- Overhead Control Panel
------------	---------------------------------

SAM	- Signal Acquisition Module
------------	------------------------------------

UCP	- Upper Control Panel
------------	------------------------------

WSP	- Immobilize System
------------	----------------------------

ZHE/ZUH	- Auxiliary Heater Systems
----------------	-----------------------------------

ZV	- Central Timer / Locking Module
-----------	---

Info & Communication

AGW	- Audio Gateway
------------	------------------------

COMMAND	- Command System
----------------	-------------------------

IC	- Instrument Cluster
-----------	-----------------------------

AIRCO

AIRCO	- Air-Conditioning System
--------------	----------------------------------

Vehicles *

Sprinter	- 901 - 902 - 903 - 904 - 905 - 906 - 960.6
